- Planning for the completion of AQAR for 2023-24

Proceedings

1. Review of Progress on Completion of Pending AQAR from 2021-22 Onwards:
 - The meeting commenced with a review of the progress on the Annual Quality Assurance Report (AQAR) from the year 2021-22 onwards.
 - In the previous meeting, seven components of each year's AQAR were distributed among various IQAC members for necessary data collection.
 - Each member provided an update on their progress, specifically for the 2021-22 year.
 - It was observed that approximately 70% of the work has been completed in each component.
 - Members were instructed to complete the remaining work in the upcoming week for timely submission to the NAAC portal.
2. Discussion and Review on the Progress and Steps Taken to Fulfill the NAAC Recommendations of Previous Cycle
 - The committee reviewed the progress and steps taken to address the recommendations provided by NAAC in the previous accreditation cycle.
 - Members discussed the implementation status of various initiatives and corrective actions recommended by NAAC.
 - The need for continuous monitoring and periodic review of these actions was emphasized to ensure compliance and improvement in quality standards.
3. Details about the New Binary Accreditation Framework
 - An informative session was conducted on the new Binary Accreditation Scheme, which has been implemented from 1st July 2024.
 - Members were briefed on the significant changes and new attributes of the Binary Accreditation Framework.
 - The college, Government Degree College Beerwah, is required to apply for Maturity-Based Grade Accreditation under this scheme starting from January 2025.
 - Detailed explanations were provided on the new matrices and attributes to ensure all members are well-informed and prepared for the upcoming accreditation process.
4. Completion of AQAR for 2023-24

- It was decided that the AQAR for the year 2023-24 would be completed in the upcoming week.
 - The completion will be conducted in a round-table fashion to expedite the process and ensure a fast-track submission.
5. Proposed Changes in Committee Members:
- Some members proposed changes in the assignment of components to different committee members.
 - These proposed changes were reviewed and incorporated as detailed in Annexure "A".

Decisions Taken

1. All members must complete the pending AQAR work for 2021-22 in the coming week for submission to the NAAC portal.
2. Continuous review and monitoring of the implementation of NAAC recommendations from the previous cycle are to be maintained.
3. The IQAC members are to familiarize themselves with the new Binary Accreditation Framework and prepare for the Maturity-Based Grade Accreditation application starting January 2025.
4. The AQAR for 2023-24 is to be completed on a fast-track basis in the upcoming week.
5. The proposed changes in committee members' assignments, as detailed in Annexure "A", were approved and are to be implemented immediately.

Adjournment

- The meeting was adjourned at 4:00 PM with a vote of thanks to the chair.
