Alumni Meeting Minutes

Government Degree College Beerwah, Budgam is the leading institute of higher learning in the central Kashmir of the valley. The college has produced prominent personalities who are serving in different sectors of society. To engage these alumni in the overall developmental process of the college, an alumni association under the name "IKISHAAF" was established on 01 of January, 2017. Since then the association has met several times to strengthen its members, and find ways of engagement in college developmental process.

One of such meetings was held on 10th of July 2020 through virtual mode via Zoom at 11.30am. The meeting was chaired by senior Professor of the college Prof. Zahoor Ahmad Shah, other college council members, and alumni members. The agenda of the meeting was:

1. Discussing the process of registration of association.
2. On time student scholarship.
3. Volunteer initiative alumni for the orphan candidate's financial assistance.

On the issues of registration of association the possibilities of registering association as a Trust or a Society were discussed in length, and final decision was taken that association will be registered under the Societies Registration Act of 1860. It was also acknowledged that the registration process under this Act is complicated as it requires a lot of documentation and approvals therefore it will take time. College administration was given the responsibility for preparing basic documents, and support wherever needed was assured by the alumni association members.

On scholarships issue it was acknowledged that institutional student scholarship cum financial assistance is given in off-academic-season, hence it will be provided in the month April every year to cater the needs of academic colander without delay.

It was also decided that the college will open an alumni assistance bank account in which alumni can contribute for financial assistance of poor, destitute and orphan students.

The meeting was concluded with a vote of thanks to all the alumni members.

Members present from the executive committee and alumni association:
