COMMUNITY LAB FIELD VISIT

TO

**MUJPATHRI, KHANSAHAB,
BUGDAM**

20TH MAY 2023

BY

**DEPARTMENT OF SOCIAL WORK
GDC BEERWAH**

Department of Social Work, GDC Beerwah, conducted community lab field visit of 2nd Semester (Major/Minor) to Mujapathri Village of Khanshab Block, District Budgam on 2nd April 2023 to acquaint students with the functioning of various social institutions like family, marriage, religion etc and assess the available social resources in the community with the purpose of aiding students to integrate theory with practice.

The students in the 2nd semester had the syllabus of studying social institutions and their relationship with the social work. Students were divided into different group and were given an assignment of exploring the existence, functioning and problems in relation to different social institutions in the community. The students were accompanied by the faculty of the college to aid and guide them in the community.

Upon reaching the identified community Mujapathri, a meeting was held with the local Panchayat body in the Panchayat. Briefly the purpose of field visit was explained by the head of the social work department Dr. Mushtaq Ahmad Malla. This was followed by interaction with the local Panchayat members and Forest Rights Groups about the socio-economic and ecological condition of the community, and developmental initiatives undertaken by the local panchayat for the socio-economic

upliftment. This helped the students to understand the needs of the community. After this interaction students in groups were accompanied by the members of the community inside the community to collect the data in relation to their topic of field work.
