Report of Awareness Program titled "NDLI: Registration and Importance for College Students"

Date: 21-11-2023 Venue: Conference Room, GDC, Beerwah

Purpose:

- To create awareness among the college students and faculty about the National Digital Library of India (NDLI)
- To facilitate registration for NDLI accounts
- To introduce the vast repository of learning resources available on NDLI

Attendees:

- Around 100 students and faculty members

Event Summary:

The College Library Committee organized an Awareness and Registration program for the National Digital Library of India (NDLI) on 21-11-2023 in the college conference room. The program aimed to introduce the NDLI to the college community and encourage them to utilize its extensive collection of digital resources.

The program commenced with a welcome address by Dr. Mudasir Khazer (the College Librarian), who highlighted the significance of digital libraries and the NDLI's role in providing access to a vast array of learning materials. Further, he proceeded the program with a presentation on the NDLI, covering its features, content, and registration process. He showcased the NDLI's user-friendly interface, its diverse collection of e-books, journals, theses, and other digital resources, and its support for various languages.

Following the presentation, a registration desk was set up to assist students and faculty in creating NDLI accounts. The library staff provided guidance and support throughout the registration process, ensuring a smooth and hassle-free experience for the participants.

The program concluded with an interactive question-and-answer session, where participants actively engaged in discussions about the NDLI and its potential benefits. The library committee addressed all queries and concerns raised by the participants, ensuring a comprehensive understanding of the NDLI's offerings. Finally, the program was concluded by Bashir Ahmad Gojree (H.O.D, Water Management) who presented vote of thanks to the participants.
