Book Donation Programme

Dr. Syed Mohammad Ashraf Bukhari visited the college on 4th March, 2023. During his one-day visit, he also donated around **55 Books** to the college. As the ex-Principal Dr. Syed Mohammad Ashraf Bukhari was an Botany expert, all these Books were pertaining to the Botany field like Cytogenetics, Molecular Biology, Biochemistry, Economic Botany, Genetics, Plant Physiology, Funig, Genomics, Essentials of Biophysics, Plant ecology, Biological Instrumentation and Methodology, etc., these books were later on dedicated to Department of Botany by our worthy **Principal Prof. Syed Ifat Ara**.

These books were established in the Department of Botany where a small **Departmental Library** was made available for the readings of students and faculty members as well.

The Department of Botany is highly thankful to worthy Dr. Mohammad Ashraf Bukhari who donated his book treasure. We are also thankful to Worthy Chair who later on gave us the opportunity of accession to these valuable editions.

Head of Botany Department

Dr. Mansoor Ahmad Lone
