PROGRAMME REPORT

Unemployment of educated youth is one of the main concerns in J&K, like in many other UTs of the country. Our J&K UT, is geographically and economically disadvantaged due to its remote location, inhospitable hilly terrain and poor connectivity to many of its parts. The problem of unemployment has aggravated over the years owing to a number of reasons as the pace of work opportunity could not cope up with the growth of population and because of surging unemployment amongst the educated youth both in urban and rural areas. The growth of job opportunities have been inadequate and do not keep pace with the growth in the workforce.

The Government is making efforts to provide the various opportunities to the eligible masses for employment in private sector through different ventures on timely bases. In this backdrop District employment & counselling center Budgam communicated (**DE&CC-Budgam**), Vide: Ref. No. DE&CC/Bud/CC/312/320, dated: 31/07/2023.
