COLLEGE CONDUCTS COLLAGE MAKING ACTIVITY ON "GLOBAL WATER SHORTAGE" UNDER G20 SUMMIT, ORGANIZED BY DEPARTMENT OF WATER MANAGEMENT ON 08/04/2023.

A Collage Making and Screening Activity was organized and conducted by the Department of Water Management, Govt. Degree College, Beerwah under on the theme, 'Global Water Shortage', to make students aware of water scarcity and how much of the earth's water is available for daily human use through this activity. They also learned the importance of water to humans and brainstormed ways to reduce their water usage. They drew and pasted pictures, graphs, newspaper cuttings on global water shortage and wrote about the measures to be taken to avoid it. They also brainstormed ways in which they can conserve water in their own homes, and thought of ways to share what they learned with their family. The occasion was graced by the worthy principal of the college, Prof. Syed Iffat Ara and later deliberated the importance of water by Prof. Bashir Ahmad Sheer Gojree (H.o.D). The event was inaugurated by Prof. Shabir with welcome note to all participants. The event was also attended by faculty members from different departments Dr. Sajad Ahmad Rather, Prof. M. Ashraf and Dr. Mudasir Rashid Bandy.
