Study Tour Report of Seed Technology I

Today on 20th September, 2023, The Department of Botany organized a study tour for 5th Semester Students in collaboration with the Department of Water Management. In this tour students having skill subject **Seed Technology I** participated. Around 20 students of seed technology and 6 students from the Water Management were taken to Nilnag located near Yousmarg Forests of Budgam District. Three faculty members- Dr. Mansoor Ahmad Lone, Dr. Bashir Ahmad and Dr. Bushra Jan- and the two non-teaching members- Mr. Feroz Ahmad and Tehmeenda Gul accompanied the students. In this event, seed collection and identification drive was carried by the students, and their storage in the lab for further studies. The Mesotrophic Nilnag Lake was also shown to the students along with its eutrophication level, Ph Level and biodiversity. *Nelumbo and Trapa natans* were also collected for laboratory testing.
