Report: Awareness programme on skill courses in banking, finance and information technology and bridging the gap between academics and corporate sector.

Date: July 11, 2023

Organizers: Department of Water Management, Convener Skill Courses, Convener Career Counselling, Department of Commerce Govt. Degree College, Beerwah, in collaboration with WIZKID EDUCORP Consultancy Srinagar.

Venue: Govt. Degree College, Beerwah, Budgam.

The Awareness Programme on Skill Courses in Banking, Finance, and Information Technology was organized by Govt. Degree College, Beerwah in collaboration with WIZKID EDUCORP Consultancy at GDC Beerwah. The event aimed to bridge the gap between academics and the corporate sector by highlighting the importance of skill-based courses and their relevance in the banking, finance, and information technology industries.

The program was started under the leadership of Prof. Syed Ifat Ara worthy Principal of the college, keeping in view the need for initiatives to reduce the gap between academics and corporate sector by starting the skill courses.

A warm welcome was extended to all attendees, including students, faculty members, and industry professionals by Dr Nazir Ul Amin Gash convener Career counselling Cell.

Prof. Idrees Ahmad of Department of Commerce inaugurated the event, who emphasized the significance of skill development and its role in enhancing employability.

Prof. Bashir Ahmad Sheer Gojree, from the Department of Water Management and convener Skill courses provided an introduction, giving an overview of the skill courses in the modern era. He provided the main aim and objectives of the awareness program and their importance in the field. He highlighted the importance of the banking, finance, and information technology sectors and their potential for career growth.

Mr Akib Ahmad, from WIZKID EDUCORP Consultancy & Renowned industry experts delivered informative keynote presentations on skill courses in banking, finance, and information technology.

The presentations covered various topics, including the latest trends, emerging technologies, and in-demand skills in these sectors.

The experts also shared insights into career opportunities and the expectations of the corporate sector from prospective employees.

The event was attended by various dignitaries and professionals, including Prof. Shabir Ahmad Mir, Dr Adil and other officials from collaboration group. Additionally, students from Govt. Degree College, Beerwah, actively participated in the event, showing great enthusiasm towards achieving the skills required for self-employability.
