Winter Plantation Drive

The plantation drive was conducted on 8th December 2022 in College premises. The drive was conducted under the banner My College My Pride. In this drive Faculty of Botany Department along with students uprooted some wild plants and planted them in the college Botanical Garden under the supervision of college Principal Prof. (Dr.) Sameena Yasvi.

Certain wild fruit plants like Prunus, Pyrus and some Ornamental plants like Cypress were transplanted in the Botanical Garden. The transfer of wild plants was intended to consider them under grafting program in the next spring season.

Some of the images from today's program are displayed below:
